PROFILE

A motivated and innovative Front-End Developer with a strong passion for crafting user-friendly and visually appealing web applications. Experienced in HTML, CSS, JavaScript, and React, with a solid foundation in responsive design and front-end optimization. A quick learner who thrives in dynamic teams, always striving to exceed expectations by delivering high-quality solutions.

TECHNICAL SKILLS

- **Languages:** HTML, CSS, SASS, JavaScript, TypeScript
- **Frameworks Libraries:** React, Next.js, Tailwind CSS, Ant Design, Redux Toolkit, Context API
- **Tools:** Git, GitHub, Vercel, Figma
- **Version Control:** Git
- **Responsive Design:** Mobile-first, Cross-browser compatibility
- **APIs:** RESTful APIs, Axios

PROJECTS

Weather App	Live Demo	<i>Tashkent, Uzbekistan</i>
--------------------	---------------------------	-----------------------------

- Developed a weather forecasting web application using HTML, CSS, and JavaScript.
- Integrated a live API to fetch and display real-time weather data.
- Ensured cross-device responsiveness and smooth user experience across mobile and desktop platforms.

E-Bay Clone (Spotify Clone)	Live Demo	<i>Tashkent, Uzbekistan</i>
------------------------------------	---------------------------	-----------------------------

- Created a Spotify-like platform using React and Redux for state management.
- Implemented REST API integration to fetch and display dynamic data.
- Focused on mobile responsiveness and seamless user experience across devices.

E-Commerce Platform (Ant Design)	Live Demo	<i>Tashkent, Uzbekistan</i>
---	---------------------------	-----------------------------

- Developed a fully functional e-commerce site using React, Redux, and Ant Design.
- Implemented key e-commerce functionalities like cart management (add/remove/update items).
- Integrated multi-language support (i18next) for enhanced accessibility.

EDUCATION

Front-End Development Course	Najot Talim , Tashkent, Uzbekistan
-------------------------------------	--

Gained hands-on experience in modern web technologies with a focus on front-end development best practices. Completed several projects showcasing proficiency in responsive design, state management, and API integration.
